

# Who do I find out who is who in my region?

Last Modified on 12/14/2018 2:22 pm EST

Each regional council deputy chair is responsible for maintaining the regional org chart and contact information for all leaders. Your full organizational chart should look something like the image below, though the number of chapters and regional director roles may vary from region to region. Updated organizational charts should be located in the [HBA Community](#) in (your region's name) - All Leaders community library.

## Regional Organization Ideal End State
