Event Logistics

Making the Most of Your HBA Membership events can be held in person or virtually - they are open to members and nonmembers, and are free. No costs can be incurred for these events (in-kind sponsorships are allowed - for example, company allowing you to use their space/AV equipment.)

If holding virtually, you are responsible for setting up the online meeting - [see resources here](#)

To set up this event on the HBA website/registration system please submit via the web portal: [How to open an event for registration](#)

Event Content

The HBA Overview deck should be used for these events- feel free to modify for your needs: [About the HBA deck](#)

Include information about upcoming events and open volunteer opportunities

Consider including a networking/discussion component of the event

If in person, have a sign-up sheet to follow up with prospective members or volunteers
