Dedicated to: regional members-only programs and value offerings (i.e. mentoring, affinity groups, etc)

Scope: strategic planning around member-only engagement programs such as mentoring, affinity groups and executive offerings; planning and execution of all program aspects

Tasks and focus areas:

Mentoring program: planning and execution of annual regional mentoring program

- Ensure all aspects of the regional mentoring program including pre-planning, recruitment, matching, mentor training, event logistics, etc are executed throughout the year
- Coordination with chapters as needed for program planning/local mentoring events such as kickoffs or closing celebrations and marketing/communications department for promotion
- Provides feedback, ideas, opportunities to Mentoring Global Chair and Mentoring Regional Directors for improvements to the program

Affinity group engagement: engagement of particular membership demographics/areas of interest through the HBA Community, facilitation of connections, events and programs targeted to their group

- Create opportunities for connections and learning for each existing AG with presence in the region:
 - HBA Community engagement: discussions/sharing on the AG's virtual "home" and communications of HBA opportunities, events and resources that they may find valuable and engaging
 - Increase awareness of Global Affinity Groups and nurture up-and-coming communities and areas of interest
 - In conjunction with the Events and Education department, develop:
 - Educational content tailored for the AG member group but that may also appeal to other HBA members
 - Networking events to forge connections between AG members
- *Where applicable:* provide feedback, ideas, opportunities to AG Global Chairs to align the group across the global organization and ensure maximum benefits/resources for all utilizing AG Regional Liaisons

Other sub-focus areas as needed (i.e. Executive Offerings) based on regional program offerings.
