

# HBA Corporate Partner Information Module

Last Modified on 07/13/2021 5:35 pm EDT

The new CP Information Module is accessible to all regional CR leaders across the organization. This module is essentially a selection of reports and information (not dissimilar to the CP Portal that our Corporate Partner key contacts have access to) that is searchable by company to give our leaders a view into our database. Leaders can access basic company information, CP benefits, reports, locations and more!

Here is a quick tutorial and walk-through to show you how to access and how it works:
