

HBA Think Tank

Last Modified on 03/14/2025 2:28 pm EDT

HBA's **HBA Think Tank** (formerly known as the Gender Parity Collaborative) is an award-winning and growing consortium of healthcare and life sciences companies dedicated to accelerating gender parity by fostering and adopting systemic changes in the industry workplace.

Together, Think Tank companies commit to actively defining strategies, measuring performance, creating change, and inspiring others.
