Last Modified on 06/05/2024 12:54 pm EDT

HBA Global Ambassador Program graduates are eligible for a [Digital Badge](#) to showcase their accomplishment on social media, their email signature, etc.

To provide the individuals who have completed your program a digital badge, download and complete [this template](#) with your cohorts' details and send it to HBA staff member Petrina Hurtado [phurtado@hbanet.org](mailto:phurtado@hbanet.org). Digital badges will be sent directly from the platform provider, Credly, to the individuals.

Please feel free to use our [Digital Badge email.docx](#)  to inform your Ambassadors of the incoming badge, and even pair it with their [completion certificate](#) if desired!
