

# European Leadership Summit 3BC: Building Better Business Connections

Last Modified on 05/14/2026 1:26 pm EDT

HBA's Building Better Business Connections (3BC) program brings senior leaders together to form a community with the common purpose of accelerating the business value of leaders in the healthcare and life sciences industry. Each summit is highly interactive and brings diverse industry voices together to create engaging and effective dialogue. This program is offered exclusively to HBA Corporate Partner organizations.

This event is invitation only and is an exclusive opportunity to network and engage in meaningful conversations with like-minded executives.
