

How to Manually Search and Connect People

Last Modified on 03/26/2025 9:59 am EDT

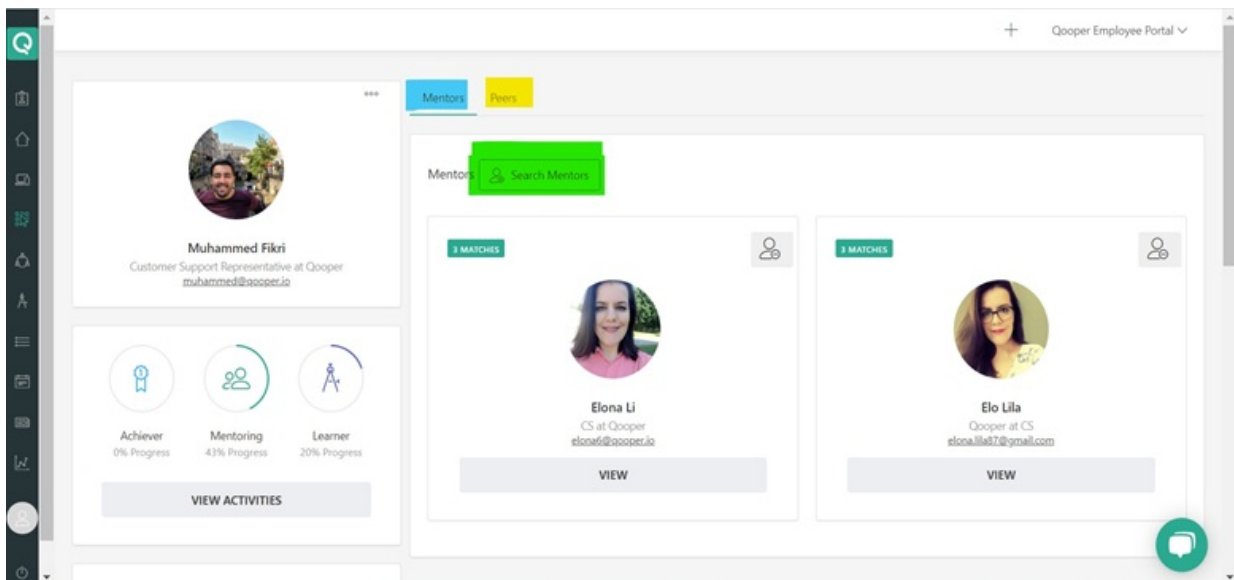

Find the “Matching” on the admin dashboard which is located on the left-hand side under the “Materials” tab.

- On the Matching page, click on the “Search Participants” button to find the participant you looking for.
- Once you find your participant, click on their profile.

- Now you can search for Mentors or Peers and connect your participant with them.

- Click on the “Search Mentors” or “Search Peers”
- Search for a member that you want to connect your participant with.
- Click on the “Add” button to connect your participant with the related profile.
