

# Who do I go to for help as a chapter leader?

Last Modified on 05/25/2026 2:06 pm EDT

Your first stop as a chapter leader for help, guidance or to answer questions you cannot locate here in the Volunteer Resource center should be to your chapter executive committee and regional leadership.

Your best resource for functionally-specific guidance will be your region's functional department president. For example, for guidance around volunteer recognition, you'll want to go to the president, volunteer experience.
