How to log into HBA Connect (the HBA Members-Only Community)

Last Modified on 10/13/2026 5:21 pm EDT

1. To access HBA Connect, click the golden button at the top of the HBA homepage. You can also navigate directly by visiting community.hbanet.org.

2. If you are already logged into the HBA website, you should already be logged into HBA Connect through single sign on.
3. If you are not logged in, click on the login button in the top right hand corner and use your HBA credentials to log in.
