In HBA Connect, you can edit your profile to include information about your education and work experience.

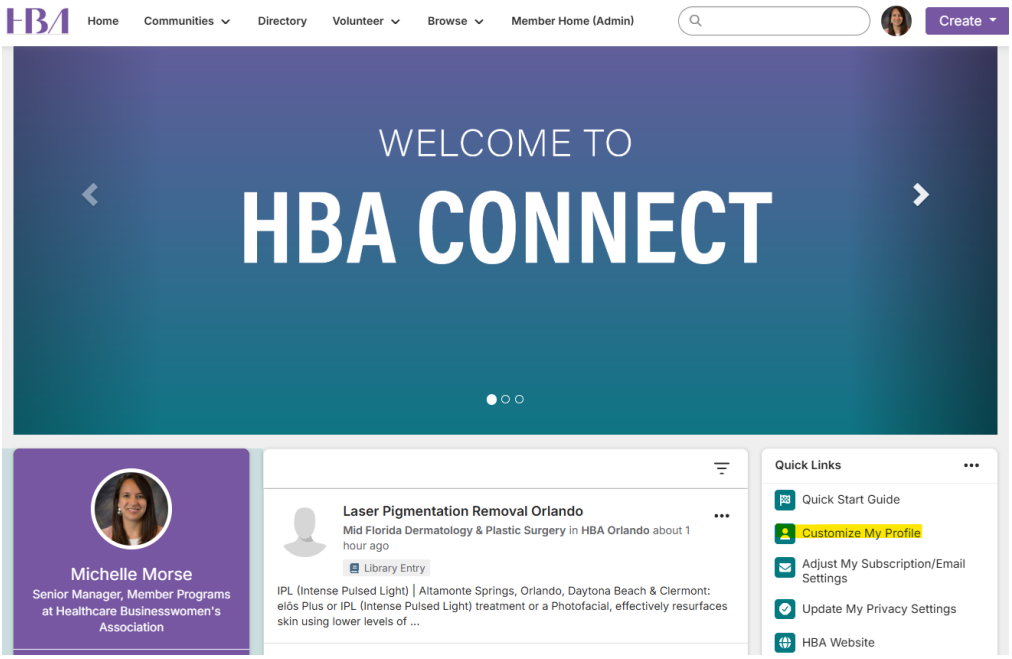

1. Click on the gold button labeled "HBA Connect" on the HBA Homepage. (You must be logged into your account to access this module.)

2. Navigate to your HBA Connect profile by clicking your profile picture in the top right-hand corner.

3. Alternatively, if you are already in the Communities page, you can also navigate to your profile using the right hand Quick Links menu.

4. From there, you can click the "Add" buttons or the pencil icons to edit your profile.
