

Conflict with Confidence - Effective Leadership to Maximize Your Growth

Last Modified on 03/26/2025 9:14 am EDT

Hosted by HBA Suburban Delaware Valley

Learn how to shift your mindset about conflict from something to fear to an opportunity for progress, creativity, and innovation. You'll uncover your conflict mode, understand how to leverage it for connection and growth, and learn skills you can use to immediately build your confidence in approaching conflict. You will leave with concrete words, phrases, and skills you need to unlock your unlimited potential.

Join the HBA Suburban Delaware Valley Chapter and conflict expert Anna Nielson for a 1-hour session comprised of didactic presentation and interactive breakout sessions in which you'll learn to apply Conflict Capable guiding principles and skills.

Participants will walk away from this dynamic workshop with a new mindset about conflict – from something that is feared to a tool for progress and innovation.

Anna Nielsen is the founder and CEO of Conflict Capable Solutions. She's revolutionizing how people approach and handle conflict. She has extensive experience and expertise in civil mediation, civil mediation training, conflict resolution consulting and facilitated dialogues.

This webinar is sponsored by DePuy Synthes.
