

# Opening Your Financial Template

Last Modified on 06/24/2026 11:46 am EDT

1. Click **“Input Data”**
2. Download the Excel file
3. Open it and:
  - Accept the **Vena add-in** (first time only)
  - Select your region (auto-filled for most users)

## Good to know:

- No software installation required
  - Works on PC, Mac (Excel 365 required), or Linux
  - Requires Excel (not Apple Numbers)
-
