

Support & Help

Last Modified on 06/24/2026 12:21 pm EDT

Issues accessing or operating in Vena? Contact finance@hbanet.org.

In the future, office hours will be launched to provide additional support, but in the meantime, please email for urgent issues. Other planned enhancements include dashboard views for overall P&L and P&L by event, expanded reporting and visibility, and improved variance analysis (e.g. reforecast vs actual). Stay tuned!
