

My changes didn't save

Last Modified on 09/24/2026 12:26 pm EDT

Many event updates require up to 24 hours to synchronize across HBA platforms.

It's been longer than 24 hours.

If more than 24 hours have passed, please contact HBA and include:

- Event confirmation email
 - Event title
 - Description of the issue (Screenshot are preferable)
-
